

**Town of Boothbay Harbor
Board of Selectmen**

ORDER OF REVOCATION OF VICTUALERS LICENSE

The Boothbay Harbor Board of Selectmen met on Monday, September 11, 2023, at 7:00 p.m., at Boothbay Harbor Town Hall to consider the revocation of the victualers license of Rock2BBH LLC, doing business as Wharf Street Restaurant & Bar.

It is a requirement of Town Code Chapter 162 (Victualers) that every establishment licensed as a victualer shall have all applicable licenses issued by all applicable state agencies. Michael Sullivan, State Health Inspector, has informed the Town Manager that Wharf Street Restaurant & Bar does not have a license through the state's Health Inspection Program, and Rebecca Walsh, DHHS Supervisor, has confirmed that Wharf Street Restaurant & Bar is operating without a state license, and has not applied for one.

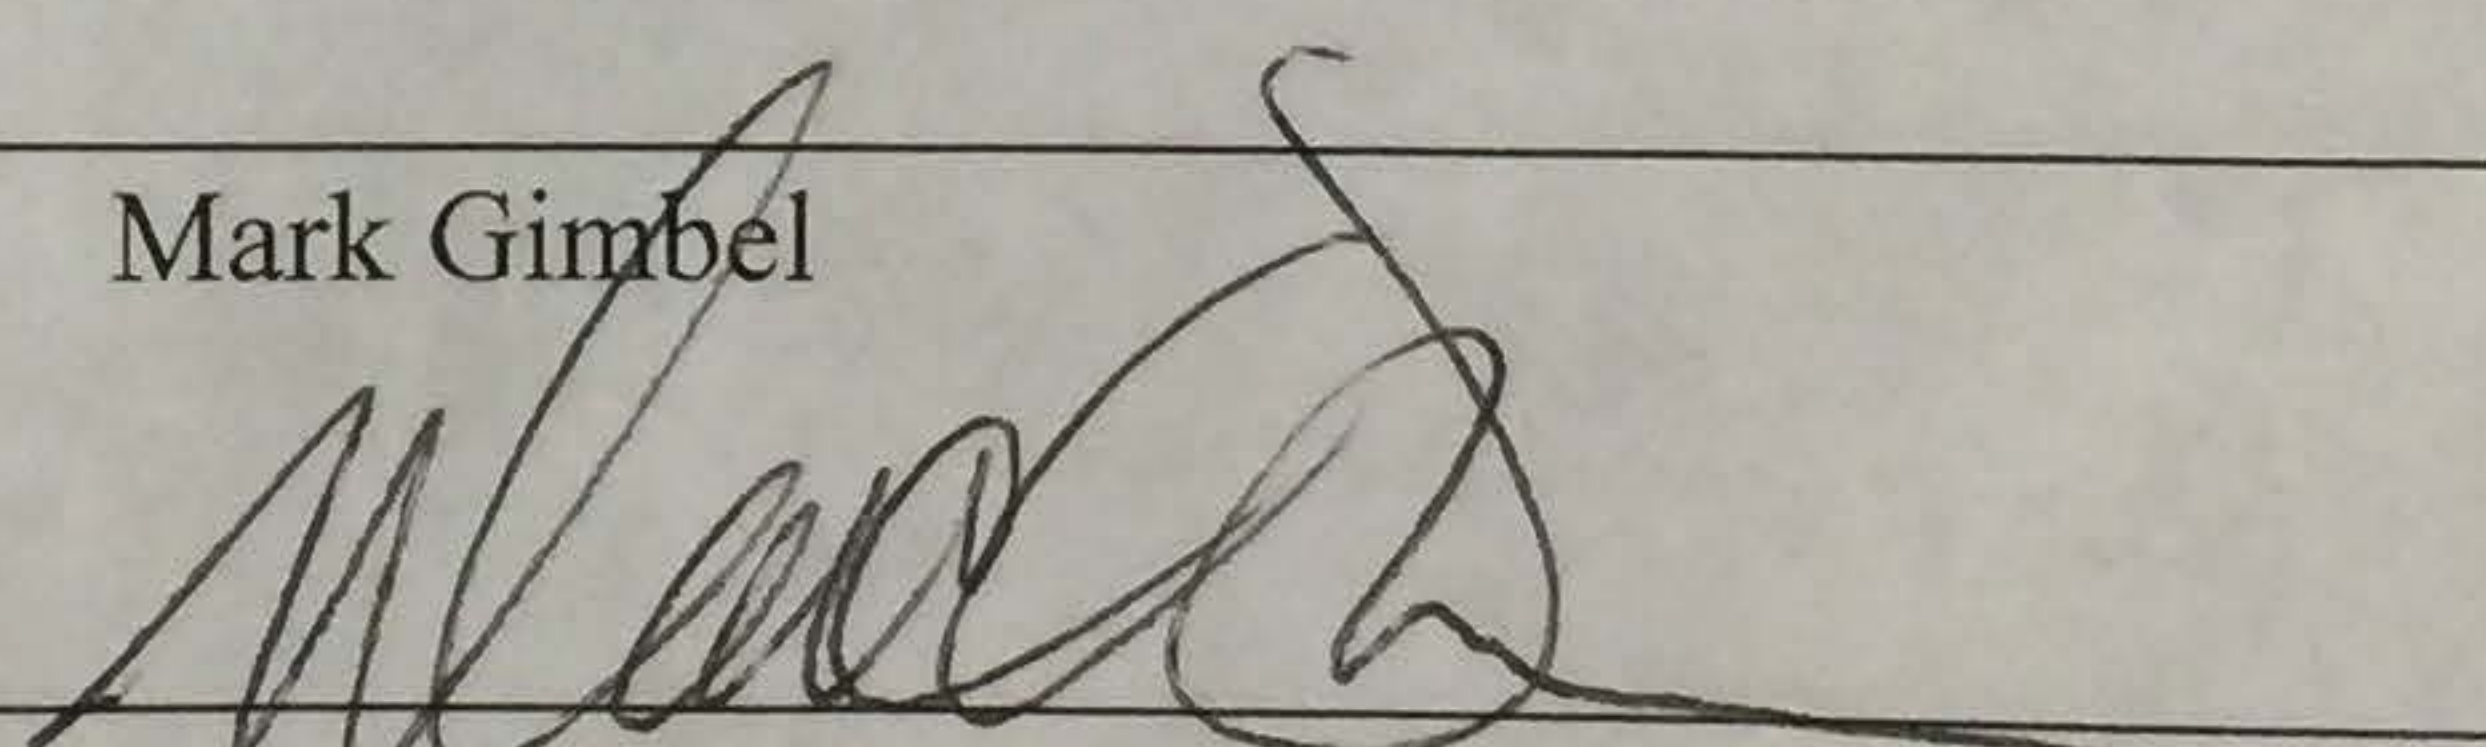

Because it lacks a required state license, the victualers license of Rock2BBH LLC, doing business as Wharf Street Restaurant & Bar, is hereby revoked, effective immediately, pursuant to Town Code Section 162-5.
